DUE TO THE UPCOMING SHORT SCHOOL WEEK, THERE WILL NOT BE A WEEKLY MESSENGER PUBLISHED NEXT WEEK. HAVE A GREAT THANKSGIVING!

Our friend, Jenelle, from the American Red Cross came to visit us on Monday! She spoke with the kids about our upcoming blood drive. She explained why blood is needed, who receives it and how it all works. The kids had lots of great questions and enjoyed her visit. If your student asks you to donate, please sign up! When you check in and give us their name, they will get a prize from the American Red Cross! And you will get a pair of Elf socks! 😊

STEAM
SCIENCE. TECHNOLOGY. ENGINEERING. ARTS. MATHEMATICS.

Last week's STEAM activity was based on the book called The Plump and Perky Turkey. Students were challenged to create a 3-dimensional turkey that could stand on its own using just a few materials. They did a great job!

CHILD CARE CORNER

Our 2-yr-olds love Miss Paige so much that they all followed her right into the closet when she was looking for supplies! 😊

We went outside this week to enjoy some mild weather, then colored in our letter leaves to make our names with! What a fun fall project!

**HOT LUNCH WILL NOT BE AVAILABLE NOV. 20-22nd.
PLEASE BE SURE THAT ALL STUDENTS AND CHILDCARE KIDS
HAVE A COLD LUNCH MONDAY THROUGH WEDNESDAY.**

**NO SCHOOL NOV. 22 – 24
CHILDCARE CLOSED NOV. 23 -24**

Little children, let us love in deed and in truth, and not merely talk about it. (1 John 3:18)

What's happening in

Animal Overload Ahead! For STEAM, 4K worked in small groups to create A Home for a Pet. Using creative thinking, their measurement and comparison skills, and through investigation of materials, each group was able to complete their task. They problem-solved and communicated well during the process. Finally, they presented to the class and we had a short but great Q & A.

We've also had a lot of fun with our bears, turkeys, and squirrels!! We investigated some of our outdoor treasures, created Fall wreaths, and filled our ten frames with doggy bones!

Our 3K kids learned about Native Americans last week. They also learned about squares and rectangles. This week we practiced our writing skills on white boards and worked on writing our names. We are also learning About pilgrims and the Mayflower.

ST. MARY SCHOOL FEATURED FAMILY

HENNING FAMILY

Brandon & Brittney
Quinn (3K) - 3 1/2 yrs
Liam - 2 yrs

WHAT BROUGHT YOUR FAMILY TO ST. MARY SCHOOL?

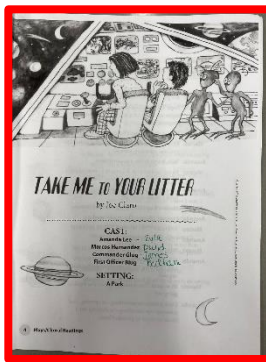

Brittney has been a member of St. Theresa for 26 years, since she started Catechism classes.

WHAT ARE YOUR FAVORITE ACTIVITIES TO DO AS A FAMILY?

We love to visit the
Milwaukee County Zoo.

WHAT IS A PRAYER, SAINT OR TRADITION THAT IS IMPORTANT TO YOUR FAMILY?

Family quote started by Quinn's great aunt,
Sister Helen Scherr,
"I love you, but God loves you more!"

The third grade reading class did a play called "Take me to your litter" by Joe Claro. They did an amazing job with the play and props.

See photos from the Admirals game on the Photo Gallery page on our website!

It was such a busy week, preparing for VIP Day, but the 1st graders spent some time practicing sight words with play-doh and magnets, team building with puzzles, and playing a sorting game with the digraphs sh, ph, and th. We also took some time to enjoy the library books that they asked Mrs. Gonring to pick out at the library.

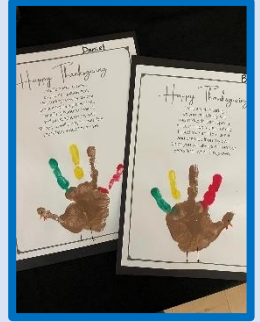

The Second Graders read "Balloons Over Broadway" and learned about the Macy's Thanksgiving Day Parade and the big balloons that are in the parade. They came up with their own idea for a balloon that they think should be in the parade and created it with a New York City backdrop. They also wrote letters explaining why their balloon should be picked to be in the parade.

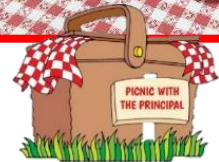

Gobble Gobble! 5K has been doing some fun things with turkeys, making tepees, and learning about the first Thanksgiving!

St. Mary School first grader Aubree Meinke had a Picnic with the Principal on Wednesday, Nov. 15. Mrs. Yauck said that she couldn't help but smile when she was spending time with Aubree. Aubree has such a bubbly and care free personality! Aubree and Mrs. Yauck talked about their love of animals, specifically their dogs. Aubree has a dog named Lexi and another named Stella and that they are very funny and love to be around the family. Mrs. Yauck asked Aubree what she likes to do with her family and she said that they go on hikes and like to go on family vacations to see historic things like old cemeteries. Aubree said that it is so cool to go around and look at all the stuff in them. Aubree told Mrs. Yauck that she loves school and playing with her friends. She likes doing school work, "in fact, I do my school work at home because it is very important to get that done".
