Little children, let us love in deed and in truth, and not merely talk about it. (1 John 3:18)

Our STEM activity last Friday was an extension of the very fun field trip we had to watch the Admirals play! Students were challenged to create an ice hockey rink using only a few materials. They had to create a puck, two hockey sticks, and the goals.

REGISTRATION FOR 2023-2024 IS OPEN!

Open Enrollment now through April 28.
For information about Open Enrollment and/or Wisconsin Parental Choice Program, please contact Principal Mary Yauck at 920-387-2920 x329 or myauck@stmarymayville.org

3K FUN!

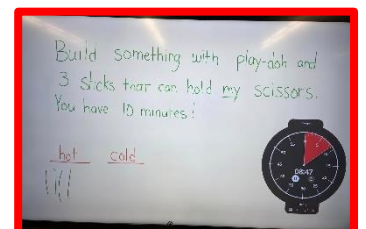

On Tuesday we went on an adventure walk looking for signs of SPRING!! We heard and saw lots of birds, noticed some plants turning green, saw new sprouts of flowers coming up, and saw some purple crocuses blooming!! Also took a pitstop in front of the church main entrance. Also, on our walk, we practiced using 2 of our senses, sight and hearing, to cross the street safely. Afterward, we went into the gym and played some games!

We worked on the letter "R", the number 6 and our shape was an "oval". We are still working on matching upper and lowercase letter and using scissors.

SURPRISE MINI STEM CHALLENGE!

Every morning the 1st graders have some sort of morning task to complete. Yesterday they were very surprised to see that their task was a mini STEM challenge! It definitely got their brains working.

Will you be a Book Fairy?

We're raising funds through Scholastic Books to gift each of our 3K - 2nd grade students with books periodically throughout the year.

We hope that these books will inspire our students to read with their families. Children are taught how to read at school, but the real joy of reading is found at home.

When you become a Book Fairy by contributing to our campaign, you'll help us raise funds to send books home with students. Any extra funds will go toward building our classroom library and will benefit kids for years to come.

With your support, we'll be able to choose books that reflect the interests of every student in our classrooms.

February winners are: (l-r) Aubree Meinke, Beckham Hurst, Kyla Curro, Grayson Staiduhar, Hailie Dobbert, Oliver Yanke, Evelyn Hecker, Lincoln Anderson, Ximena Castro Martinez and John Yanke.

PICNIC WITH THE PRINCIPAL

St. Mary School Kindergartner Conrado Garza had a Picnic with the Principal on Wednesday, March 8. Principal Mary Yauck said that Conrado has an infectious smile and she thoroughly enjoyed their conversation over lunch. Conrado talked about how he enjoys going to the park by his house with his brother and mom. He said they go fishing in the river there, and he loves his fishing pole. Mrs. Yauck told him that she loves fishing too. Conrado talked about how he likes finding different rocks and things in the ground. When asked him what he wants to be when he grows up, he said he wants to be a paleontologist because he loves digging things up. He has 3 cats and a gold fish that he loves. Mrs. Yauck asked him if his cats were named Giovanni, Conrado, and Heidi (mom and brothers names). He gave her a puzzled look and said "are you kidding me, that wouldn't happen!" He loves school and playing with his friends. That was very apparent as all the guys gathered around to see what book he got in his happy meal.
