Little children, let us love in deed and in truth, and not merely talk about it. (1 John 3:18)

The Second Graders had fun graphing with their box of candy hearts in math!
 The essential question in Second Grade reading this week is "How can we explain nature?"
 So we decided to take our discussion outside and talk about it in nature!

3rd grade math was fun
 and yummy this week!

Phy Ed stations were fun this
 week! We used lots of muscles
 and hand-eye coordination!

Kyla Curro, a second-grader at St. Mary School, had a Picnic with the Principal on Wednesday, Feb. 14. Principal Mrs. Mary Yauck says that Kyla is such a pleasure to talk with. Her bubbly personality put a smile on Mrs. Yauck's face during the whole lunch. Mrs. Yauck asked Kyla what she likes to do for fun and she talked a lot about Fondy Sports Park and how she loves it there. Kyla said a whole day can be spent participating in different activities. Some of her favorites are mini golf, simulators, and bumper cars that gave you squirt guns so she could get her dad wet. It sounds like a great place for some family fun. Another favorite of Kyla's is their family trip up north in July. She talked about her dog that she loves so much. Her dog sleeps with her and this morning when she tried to get up for school, she laid on top of Kyla so she couldn't leave.

CHILD CARE CORNER

Our 2-year olds were busy this week with their Valentine's Day artwork and a party on Friday!

The 1st, 2nd and 3rd grade classes exchanged Valentines with their friends on Tuesday!

We had so much fun in 5K this week with Valentine's Day activities!

The 1st graders and their 4K book buddies worked on writing their own versions of the book called **The Very Hungry Caterpillar**. Next week each group will present their books to the other groups.
