

Picnic with *the* *Principal*

St. Mary School kindergartner Josie Feucht had a Picnic with the Principal on Thursday, Jan. 16. Josie loved telling Mrs. Yauck all about "the farm." She talked about the animals they have, things they need to take care of, work that needs to be done, and how much she enjoys helping. Mrs. Yauck asked her what farm chores are, and Josie told her that she collects the chicken eggs in the morning, feeds the animals throughout the day, and makes sure they are all tucked in at night. She told Mrs. Yauck about her cow that likes to get out of the fence and come to the house to visit.

Josie thinks that he works on getting out because he loves tomatoes. She said the chickens like the tomatoes too. Josie said that she wants to start showing at the fairs like her big sister does.

When Mrs. Yauck asked her what she would show, and she said cows, but they need to be dairy cows not beef cows.
