It's Fairy Tale Week in 5K!

We worked on a STEAM project of building the 3 Little Pigs Houses 🐷 - Straw, Sticks, Bricks...then tried to blow each of them down! Then we used our imaginations as we practiced writing. We also had a blast "ice skating" in gym class with the 4K class.

The 2nd graders finished their bulletin board this week with their very own snowflakes!

Our students decorated coffee sleeves for The Open Door Coffeehouse! Be sure to get yours the week of Jan. 28th when you stop in there for coffee!

St. Mary School first grader Conrado Garza had a Picnic with the Principal on Thursday, Jan. 18. Mrs. Yauck said that lunch with Conrado confirmed the wonderful influence Catholic education has on our students. Conrado chose a happy meal for lunch and inside was a toy for a girl. After opening it, he leaned really close to her and asked if he could give it to one of his friends. I said that it was his choice but I think that he would make someone feel very special. Conrado then walked over to one of the 4K children and handed it to her. He quickly turned to walk away so Mrs. Yauck told him to turn around and see the huge smile he just put on his friend's face. Conrado and Mrs. Yauck talked about going on vacation to WI Dells and the water park. Conrado told her that he also loves riding on his hover board that he got for Christmas. He also told her that he does chores around the house with his mom like washing the windows and doing the dishes.

The First and Second Graders worked hard together on identifying what animals hibernate, migrate, and adapt during the wintertime.

Our 1st and 2nd Graders had a lot of fun working together to complete some difficult puzzles this week!

Literacy in 1st grade on Thursday was full of small group activities! We also gave our brains a break with some movement songs.
