This week we are learning about l-blends, words where you can hear the first consonant and then the letter l blend together in words such as black, slim, glad. Students were asked to match the l-blends and the endings to create words by searching for a classmate that had a card that helped accomplish this skill. In the end, everyone successfully completed the task! Great teamwork, 1st graders!!

After practicing our readings for church tomorrow the kids wanted their picture taken with the beautiful flowers outside of St Mary's church.

Looking for activities that are fun for the whole family? The Catholic Ecology Center seeks to deepen faith and foster a stewardship ethic through hands-on encounters with the natural world. The Center is a conduit to encounter your faith through retreats and spiritually enriching programs and presentations.

Daniella Rangel, a kindergartener at St. Mary School in Mayville enjoyed a Picnic with the Principal on Wednesday, Sept. 13. Principal Mrs. Yauck said that lunch with Daniella was the highlight of her day. She is such a sweet little girl and her smile is so incredibly precious. Daniella talked a lot about her brothers and how much she likes spending time with them. She said that one of her favorite things to do is to go to Texas to see two of them. Daniella said that she is looking forward to going to the trampoline park with her family for her birthday, which is coming up on Tuesday. She said with a grin on her face, "wouldn't it be funny if I made my dad do a cannon ball in the ball pit" then giggled. She also talked about saving all the gold coins she gets from the Tooth Fairy and when she "gets really old, like 10 years old" she is going to buy a hamster and puppy.

hello KINDERGARTEN

We have been staying busy in childcare with lots of games, arts and crafts, sensory activities and play time!

The Second Grade students have started to nature journal outside 2 times a week in the mornings. It's a time to be calm and observe God's creation all around us.

Our 3rd graders read "The Gift of Weaving" a Navajo story then we learned the basics of weaving with paper! They sure are creative and quick learners!
