# PICNIC WITH THE PRINCIPAL

Kindergartner William Schuller had a Picnic with the Principal on Wednesday, Feb. 8. Mrs. Yauck said that she had a wonderful lunch with William. She said that he is such a polite and pleasant child to talk with. William talked a lot about school and said that his favorite things about school are the teachers, learning centers, playing outside at recess and making new friends. He said he really likes playing with Hailie because even though she is a girl she's good at boy stuff too. When asked what his family likes to do when they spend time together. He said they like to go visit his grandparents and like going up north to their new cabin. He talked about all the things they like to do there. There is a lake that they go swimming in, they hike, collect wood, and he and his brothers made a cool fort together. He was so excited telling me about it, she could picture what he was telling her.
