

# *Picnic* with the *Principal*

Kyla Curro, a third grader at St. Mary School, had a Picnic with the Principal on Friday, Nov. 1. Principal Mary Yauck said that Kyla is such a pleasure to talk with. They talked about Kyla's dog Nala and how much her family loves her. She said that when Nala comes in from outside, she runs all over the house like when she was a puppy. They play with her a lot. Kyla said that one of her favorite things to do is to go up north with her family. They spend a week at a cabin just outside of Minoqua. They go fishing, but not the traditional pole with a worm on the end. They use bread and a fish net. She said they caught a lot like that. Kyla told Mrs. Yauck that they like to spend time at the shops in Minoqua and going tubing with their friends. She said she really liked it when mom was here subbing for Mrs. Marshall while she was on maternity and wished she could still be here in another class. We all loved having her mom here as well.
