Thur., Mar. 5: Hamburgers, Chips, Fresh Veggies

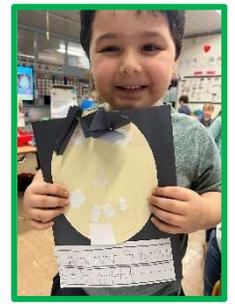

Fri., Mar. 6: Noodles w/ Pasta Sauce, Breadstick, Salad, Fresh Fruit

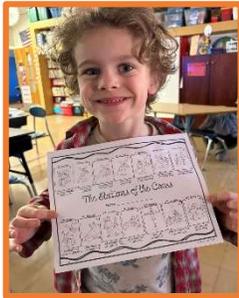

Little children, let us love in deed and in truth, and not merely talk about it. (1 John 3:18)

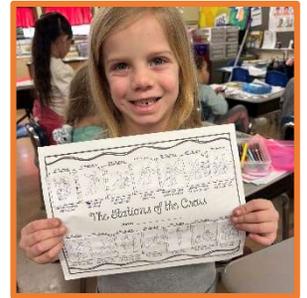

5K

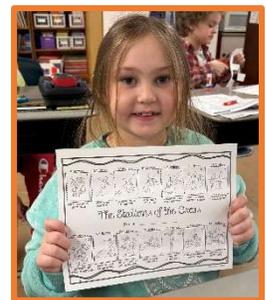

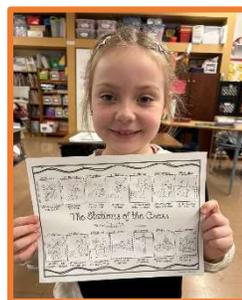

To wrap up our dentist unit last week, we read the story "What If You Had Animal Teeth?" We learned about the benefits of different animal teeth and they picked which one they would like to have. We also made mini mouth replicas using marshmallow teeth and pretended to floss with playdough and building blocks.

1ST GRADE

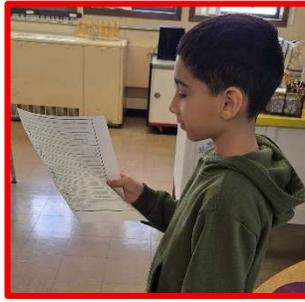

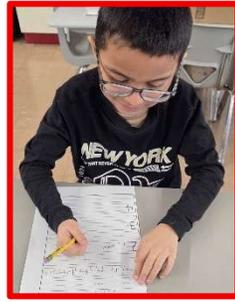

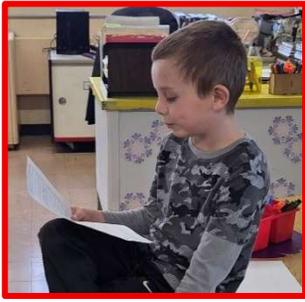

The 1st grade students have been learning about the Stations of the Cross. Father Galante came to our class today and answered some of our questions!

St. Mary School kindergartener Joshua had a Picnic with the Principal on Wednesday, Feb. 25. Mrs. Yauck said that she had a wonderful time learning more about the Mayberry farm during lunch. She said that every question that she asked, Joshua responded with an answer about the farm. She said that it is so enlightening to see the passion in Joshua and his siblings about being raised on the farm. Joshua told her about their sheep and how they get them ready to be shown at the fair. He is looking forward to when he is old enough to show. Joshua told Mrs. Yauck that they reduced the strawberry fields to plant the apple trees and are now planning where to plant more strawberries. He is excited about raising sweet corn to sell because he loves sweet corn, and Mrs. Yauck agreed. It is clear that Joshua loves everything about farming, from feeding the animals to spreading manure to riding in the Gator and checking the fields.

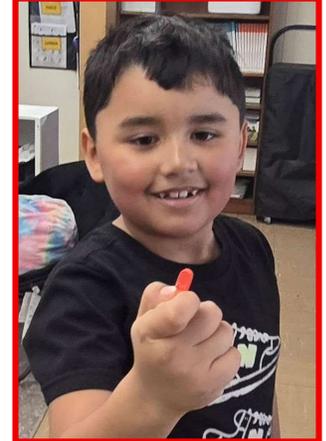

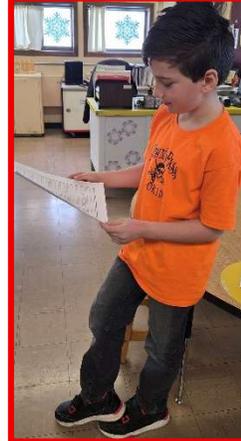

PICNIC WITH THE PRINCIPAL

2ND GRADE

After Ash Wednesday Mass, the 2nd graders reverently buried the word "Alleluia," marking the beginning of our Lenten journey. As we enter this season of prayer, sacrifice, and reflection, we set aside this joyful word for a time, with hopeful hearts, we look forward to Easter, when we will joyfully proclaim "Alleluia" once again and celebrate the risen Lord.

3RD GRADE

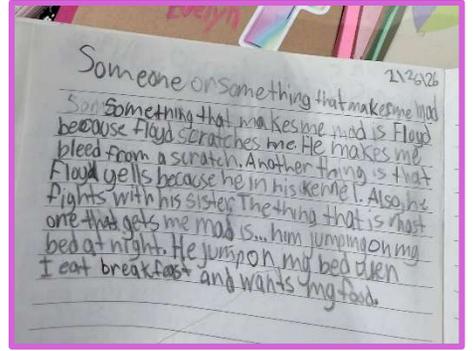

Third and fourth graders made snowball towers yesterday in STEAM. Madi, Scarlett, Evelyn, and Lincoln completed the task. We all know fraction dominoes now in 3rd grade.

PE

We are coming to the end of our Gym Winter Olympics. We finished short track speed skating and biathlon. In the biathlon event, athletes had to scooter the course and stop and throw beanbags into a bucket. We started our 3 person Curling event, stones were scooters and pool noodles were the sweepers. Kids were very excited about this event!! Next week Monday, will finish curling and have some hockey games! Tuesday will be our award ceremony!

The 4th graders have started earning class money by being involved in class discussions, doing extra learning sheets in their free time, and by being all around good students and friends! They are also learning to save, manage, and exchange money in the process!

4TH GRADE

HAS YOUR FAMILY BEEN A FEATURED FAMILY THIS YEAR?

Please contact Danielle to get signed up!
We want to spotlight all of our amazing school
and childcare families!

dwiedmeyer@stmarymayville.org

Our 3rd and 4th graders made their Lenten Masks last week. They turned out amazing!
