CHILD CARE CORNER

The second graders came to Childcare on Wednesday to read to our 2 and 3-yr-olds. Our littles love this time with the big kids! We also had some outdoor play time and did some spring arts and crafts this week. We played some Bingo with Miss Emily too!

St. Mary School first grader Hailie Dobbert had a Picnic with the Principal on Tuesday, April 23. Hailie told Mrs. Yauck all about things she loves to do in the summer. She has an ATV, dirt bike and regular bike that she loves to ride around. Her family is buying a camper and putting it on land they have up north. Hailie loves going to the land and will now like it "much better" because of the camper. Hailie told Mrs. Yauck that she loves her family and likes playing with her brothers and mom and dad. She said they taught her how to play baseball and that is why she is so good at it. At school her favorite subject is math. When asked her why math, she said that Mrs. Gonring makes it fun because "they use things like marshmallows to do math". She also really enjoys STEAM because of all the projects they do.

ST. MARY SCHOOL/CHILDCARE FAMILY DAY

REMINDER: if you plan to attend, ticket order forms are due to the school office no later than MONDAY, JUNE 3. All school and childcare families are welcome to join us! Students and their immediate family members are free. Extra tickets can be purchased for extended family. Contact the school office with any questions.

We had a lot of indoor fun in Kindergarten last week! We took a virtual field trip to the farm! Thanks Mrs. Clark for sharing with us! We also had fun learning about living and non-living things during creepy crawly week!

The 1st-3rd graders started their seed flower mosaics in art on Thursday. They are doing such a nice job and are looking fantastic!
