3K

We all worked really hard and fun making our Valentine's Day boxes! We practiced some fine motor skills with stickers and stamps on our boxes. We celebrated 100 days of school on Thursday! Some of the kids dressed up as 100-year-olds! We kept the fun going by making tissue paper hearts, mixing up a yummy 100-piece snack mix (counting all the way to 100!), and watching Emily's First 100 Days of School and Bubble Guppies.

It was a chilly week in 4K as we explored the Polar Artic! We learned about Arctic animals, icy habitats, and experimented with gelatin icebergs!

4K

- Mon., Feb. 16: Enchilada Casserole, Corn, Fritos
- Tue., Feb. 17: Taco Spaghetti, Salad, Fresh Fruit
- Wed., Feb. 18: Spaghettios Soup, Breadstick, Fresh Veggies
- Thur., Feb. 19: Hot Dog, Chips, Fresh Fruit
- Fri., Feb. 20: Grilled Cheese, Tomato Soup, Salad

Little children, let us love in deed and in truth, and not merely talk about it. (1 John 3:18)

5K

- Our last Superkid, Hot Rod, made his own car out of recycled materials, so we decided to do the same! They had so much fun!

- We did stations with our book buddies and they got to "drive" to the each one (with the help of their buddies!)

- We wrote about what we would do if it rained hearts, and we shared our favorite page out of our "Book of Fast Things."

- We played a new game, "Wovels" which is like uno but for words and vowels!

1ST GRADE

- During Catholic Schools Week, the first graders created beautiful crosses out of Model Magic clay.
- We have been focusing on place value in math and reviewing other literacy concepts. We also had fun with stickers and shapes.
- We talked about all that we love . We created a love booklet that we shared with our book buddies and asked our buddies about things that they love.

St. Mary School third grader Joshua had a Picnic with the Principal on Wednesday, Feb. 11. Joshua was so excited to talk about the new middle school with Mrs. Yauck. He had so many questions for her; Who will be the teachers? How will we get there? Will we still have recess and lunch? Are we like the top grades of the school now? Will we still get to go to Mass? Will we have visits from Fr. Miniatt or Fr. Galante? Mrs. Yauck said that they had a great discussion about these questions. Joshua told her that he is looking forward to the open house. They also talked about vacations that his family goes on. His favorite places to visit are Texas and North Carolina. When Mrs. Yauck asked Joshua if he would like to live in a warmer area, he told her that he likes Wisconsin because of his school, the winters and snow, and the parks that we have here. He said that there is a lot to do and see when you are walking in the parks. Joshua is also very excited about his baby brother coming in April. He is going to be an excellent big brother again!

PICNIC WITH THE PRINCIPAL

2ND GRADE

Valentine's Day is in the air! ❤️
We worked on our Valentine bags for classroom exchange and Valentine cards for our 5K buddies.

In 4K Art Class, we worked on a proper painting techniques with a paint brush. Using brush strokes vs swirls and squashing. Helps spread paint more evenly and saves on our paint brushes!

ART

Art Class on Thursday was all about "Hearts" since it's February!!! Older students worked on a Heart Board. Learning painting techniques and layering to add depth and dimension to their artwork. The younger students are learning weaving techniques with paper. Simple "over under over under" and then "under over under over" was very challenging, by the end of class we had some very proud students!!!

4TH GRADE

OUR 4TH GRADERS MADE VALENTINES FOR OUR LOVED ONES! WE ALSO SWITCHED UP OUR USUAL JOURNALS TO WRITE ABOUT A VALENTINE THAT IS EXTRA SPECIAL TO US - SAFE TO SAY OUR 4TH GRADERS LOVE THEIR PARENTS!

SAVE THE DATE
SATURDAY, FEBRUARY 28
