**My Art
is Me!**

St. Mary School kindergartener Alina had a Picnic with the Principal on Tuesday, April 28. Principal Mary Yauck said that her lunch conversation with Alina just lifted her spirits. Alina was so happy to have her first lunch with Mrs. Yauck. They talked about some of Alina's favorite things. She said that she loves doing art and going to art class with Ms. Katie. They just painted huge flowers that are hanging in the gym and they really brighten it up in there. Alina also loves coming to school and playing with all her friends. She told Mrs. Yauck that she has so many friends that she could play with a different one each day. She enjoys going to childcare because it is fun and she likes the teachers a lot. Alina enjoys walks with her family, playing with her sister, and going on family vacations to the Kalahari Water Park in the Dells. She said it has the best water slides.

Kindergarten: Insect week!

- Made Church replicas and talked about each person's role in mass, as well as our own!
- Learned about St. Jerome - Made insects - Read The Grouchy Lady Bug and made our own!
- Puppies came to visit! - Glow Dance Party!

1ST GRADE

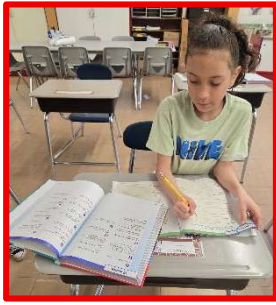

- Fruits of the Holy Spirit
- Glow Dance Party
- Friends from Mayville Savings Bank visited
- Learning about money and financial terms like save, spend, earn, and give

St. Mary School second grader Daniel had a Picnic with the Principal on Wednesday, April 29. Mrs. Yauck said that she greatly enjoyed having lunch with Daniel, whose warm personality and joyful spirit truly stood out. During their conversation, Daniel shared his love for family vacations, especially trips to North Carolina and Mexico where he enjoys visiting his grandparents. He also spoke sweetly about his baby brother, Isaac—admitting he didn't expect to love him as much as he does, but now treasures playing with him. At school, Daniel's greatest joy comes from spending time with his friends, and his kindness and enthusiasm make him a wonderful part of our school day.

CHILDCARE

THANK YOU!

Thank you to the Dodge County Master Gardener Association for donating seed packets to our students! The DCMGA is dedicated to teaching others about all aspects of horticulture. With that in mind, they want our 1st - 3rd graders to be introduced to both a love of gardening and the need to preserve pollinators by giving them these packets of seeds. Our students are so grateful for this gift!

We had some visitors from Mayville Savings Bank! Tami and Emily read the Berenstain Bears' Trouble With Money to our 5K - 4th graders. The book teaches kids about financial responsibility, saving, and earning money through the adventures of Brother and Sister Bear. Thank you to Tami & Emily for sharing your time with us!
