5K

Animal week in kindergarten! We have been doing all things subtraction. We practiced catching critters, stuffed animals, and scarves during P.E! We learned about the Parable of the Lost Sheep and did a step-by-step drawing of a sheep. We talked about Palm Sunday and made a craft to hang in our classroom.

1ST GRADE

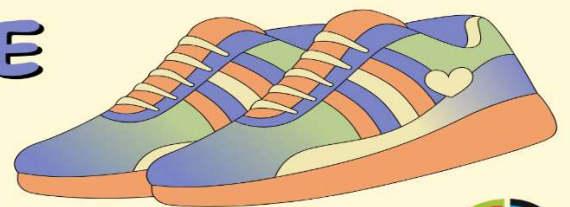

As Holy Week gets closer, the 1st grade students have been looking for love in all that we do. We remember the sacrifices Jesus made for us, we recall His journey to the cross, and we apply His love to our everyday lives by praying, helping, teaching, and serving others.

2ND GRADE

Spring is deeply tied to reflection and renewal in many traditions, including Easter, which symbolizes new life. We enjoyed a afternoon of observation of why "God is Good!". We also took advantage of the weather and did partner reading outside 🌞.

3RD GRADE

STEAM in 3rd and 4th this week was creating a paper plate Labyrinth with tunnels and a marble.

4TH GRADE

4th graders put their spelling and creative skills to the test playing crosswords, a game where you have to build a crossword as a class but each new word must include a new letter of the alphabet! Then we worked hard at ordering and identifying mixed numbers. Lots of learning and new activities this week!
