

Picnic with the *Principal*

St. Mary School 1st grader Nora Frank had a Picnic with the Principal on Wednesday, Dec. 11. She told Principal Mrs. Yauck that she is so excited about Christmas coming because she gets to see so many of her family members. She goes to a lot of places and all of them are fun. When Mrs. Yauck asked her what she likes to do with her family, Nora said that she likes to go on vacations. She goes someplace warm with her mom and grandma every year and this year they are going to Puerto Rico. I asked if dad was going with, and she said no because he likes the cold better than the warm weather. Nora told Mrs. Yauck that her family goes up north a lot over the summer. She gets to play with her cousins and she has gotten to know a lot of people there, so she has fun when they go. Nora said that she goes to church with her mom, but she learns more when she goes with the school because the priests talk to them about what was read.
