Our 4K - 4th graders went on a field trip at Ebert's Greenhouse Village on Wednesday! It was a chilly day, but they had lots of fun! Watch our website for a photo gallery soon!

Last Thursday was such an exciting day in 3K! We welcomed a special visitor, Mrs. Cook, who came to share all about their new baby, Kaleb. Since our class has been learning about families and what makes each one special, this was a perfect opportunity to learn how babies grow and develop. The children loved talking about how some families have babies and some don't, and how every family is unique and full of love.

This week, we are learning about the letters A and G. The children made Letter A Crowns and brainstormed lots of words that begin with the letter A. We also practiced forming the letters A and G using play dough, which made handwriting practice extra fun!

During Bible time, we read the story "Elijah Fed by Ravens." The children used their handprints and paint to create beautiful raven art to go along with the story. It's been such a joyful week of learning, exploring, and creating in 3K!

PUMPKIN WEEK!

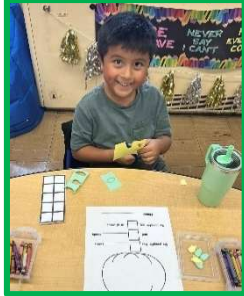

We disguised our pumpkins!

We made ten frames with pumpkin seeds.

They worked together to make a chain of our math manipulatives with some extra time!

We learned that the Bible was once written on a scroll and they each got a scroll with "God has blessed me. I am happy!"

Learned a new sight word game, "boom, boom, clap, clap."

1ST GRADE

Last weeks STEAM activity was based on a children's book about catching a monster.

The 1st graders used their imaginations to design a monster trap of their very own. Their ideas were really cool and their teacher loved how they always want to help each other out if needed.

3RD GRADE

- We sure love our Principal! Mrs Yauck is such an asset to St. Mary School!
- We released our 8th and final Monarch butterfly!
- We finished up our Minecraft projects in Art class

WHAT BROUGHT YOUR FAMILY TO ST. MARY SCHOOL?

We love the staff and teachers,
and class sizes are perfect.
Our faith is very important to us so a
Christian school was an easy decision.

WHAT ARE YOUR FAVORITE ACTIVITIES TO DO AS A FAMILY?

We love sports – Brewers, Packers, Bucks!
We also enjoy a nice movie night or a
round of golf!

**WHAT IS A PRAYER, SAINT OR TRADITION
THAT IS IMPORTANT TO YOUR FAMILY?**
We pray daily to Jesus for all of our family and friends!

About Me

My husband, Jay, and I have three children: Jake (fiance Elyssa) lives in Virginia,
Luke lives in Oshkosh and Brenna is a senior at UW-Stout.
I love knowing the kids and families personally. Teaching with my faith and
being a part of every subject. I love to walk, read, cook and bake.
I am honored to teach at a school where the staff, students and families
become such a part of my life!

Fun Facts about me:

- I have been at St. Mary School for my whole teaching career of 28 years.
- I have chickens that I incubated in my class.
- I'm the only one in my family that doesn't hunt.

PICNIC WITH THE PRINCIPAL

First grader Josie had a Picnic with the Principal on Tuesday, Oct. 21. Principal Mrs. Yauck said that Josie is such a sweetheart and it was her pleasure to have lunch with her. Josie talked about her family farm and all the things she enjoys doing. They got a new calf, and it got out of its pen. She said that it ran all over the place and even into a corn field. It ran in one way and went all the way to the other end of the field. Josie said that she loves helping with all the animals. She collects the chicken eggs, helps feed the animals, helps dad in the barn, and helps mom collect the vegetables from the garden. Josie told Mrs. Yauck that she also enjoys spending time with her sister and said that she learns a lot from her.
