Little children, let us love in deed and in truth, and not merely talk about it. (1 John 3:18)

This week was all about Dinosaurs! We have a new student named Lia in class. We continued working on letter and color recognition.

St. Mary School Kindergartener Nora Frank had a Picnic with the Principal on Friday, April 5th. Mrs. Yauck said that lunch with Nora was such a pleasure. They talked about the vacations the Nora goes on with family, things she likes to do at school, her dog, and what makes her happy. Nora told Mrs. Yauck that two of her favorite trips were to Tennessee and Puerto Rico. She said she loved walking on the beach in Puerto Rico, where found some really pretty shells, went swimming in the ocean, and saw beautiful places on their walks. In Tennessee, Nora loved collecting things on her hikes, enjoyed the warm weather, loved the room she stayed in, and spent a lot of time in the pool. She told Mrs. Yauck that it took a long time to drive there but they stopped along the way to see new things. She loves her dog, even though she is "kind of crazy". They love to play together. When asked about school and what makes her happy, she said playing with her friends, any kind of art projects, math, and learning about God.
