Holy Day – Immaculate Conception

We have a bible story each day with our 5K-4th graders. The Jesse Tree represents the family tree of Jesus Christ. Each ornament represents a story from the Bible that talks about God's people before Jesus was born. Each story shows God's salvation plan and tells how He guided humanity to prepare for the coming of the Messiah (Jesus).

3K

In 3K this week we tasted two new colors... orange and green! We tried carrots, squash, oranges, peas, green beans, and avocado! Squash was voted the least liked, but everyone was brave and took a “bite to be polite!”

We also learned why these foods are great for our bodies — orange foods help our eyesight and immunity and green foods help with digestion and immunity too! We are so excited to keep tasting the rainbow and trying new foods.

We also enjoyed some outdoor fun in the big snow piles!

1ST GRADE

This week in 1st grade, we welcomed a new friend named Eithan. Advent has been our focus and we are creating our very own Advent wreaths! We are also hopeful that St. Nick will stop tonight to leave a little surprise so we made stockings too. Mrs. Wolf has been teaching us about the Jesse Tree and concert practice is going very well. We have also been enjoying our time with the 4K book buddies.

OUR CHILDCARE WILL BE CLOSED ON THESE HOLIDAY DATES TO ALLOW OUR STAFF TO SPEND TIME WITH THEIR FAMILIES FOR THE HOLIDAYS. THANK YOU!

Help us to spread hope by being kind and loving others. Amen.

3RD GRADE

This was a big hit!

St. Mary School second grader Carson had a Picnic with the Principal on Wednesday, Dec. 3. Principal Mrs. Yauck said that Carson is such a sweet boy and she really enjoyed talking to him during their meal. when she asked him what makes him happy, he told her that he loves riding his dirtbike and being outside playing. Carson said that he just got a snowmobile for himself and is really looking forward to driving it. He said that mom and dad have one but now he doesn't have to ride on theirs he can use his own. Carson told Mrs. Yauck that likes playing soccer and other sports that make him run around. She asked what he likes to do with his family he got this excited look on his face and told her that they went up north one time. When she asked to hear more about that trip, he told her that they drove two hours to help grandma get her keys out of her locked car, waited a little bit, and then drove home. Mrs. Yauck said that the kids' stories are just priceless!
