

Picnic with the *Principal*

Kindergartener Lily Conrad had a Picnic with the Principal on Wednesday, Sept. 25. Lily was all smiles and told Mrs. Yauck all about herself. She said that she has a lot of friends and that one of the things that makes her friends so special is that they want to help others when they are sad or hurt. She proceeded to point out each of her friends. Lily said that she loves playtime both in the classroom and outside, and also reading. Her family likes to go visit her aunt, go out to eat, and go on family trips. Her favorite place to go with her family is WI Dells waterparks.
