

School Closings & Delays

School closings or altered bus schedules due to bad weather will be announced over the following Radio and television stations as soon after 6:00 AM as possible. The decision to close, delay the start of school, or dismiss early is made by the Mayville District Administrator and St. Mary School and Childcare will abide by the decisions made through the Administration office. Please keep this information handy for upcoming announcements.

Announcements made that the Mayville School District is closing includes St. Mary's School and Childcare, even if our school name is not specified.

If your child has already been dropped off for childcare before the decision has been made to close school, you will be contacted by telephone to inform you of the closing. Then your child must be picked up from the childcare within two hours of you being notified.

In the event of an early release from school due to weather, a copy of the school emergency form will be kept on file with your authorization for your child to either:

- **Be sent home on the school bus (4K and older)**
- **Be picked up by a parent**
- **Be picked up by another authorized adult**
- **Be sent to childcare ***

*** If your child is sent to childcare, the procedure will be as stated above. You will be contacted by telephone and your child must be picked up from the childcare within two hours of you being notified.**
