St. Mary School Financial Aid Application
2022-2023 School Year

No child is denied admission to the St. Mary School 5K-2 program because of parents'/guardians' inability to pay tuition. St. Mary School does not discriminate on the basis of race, ethnic origin, or the ability to meet tuition payments. Families unable to pay the entire tuition amount are assisted in applying for financial aid by meeting with the pastor. A financial aid form and documentation should be submitted to the pastor so eligibility for financial aid can be determined.
