St. Mary School is rooted in Catholic values and academic excellence.

We are committed to providing an environment rich in diversity, inclusion and belonging where children of God learn, love and live the faith.

3K

3K painted with yellow and orange which will be created into a sun.
A special thanks to Jessica Lawrence for bringing in this beautiful moth!

1st and 2nd grade finished up their oil pastel wildlife pictures. Each student chose an animal to recreate. Each one worked very hard on blending colors to achieve texture, shading and lighting on pictures. Some students took realistic approach while others used more abstract recreation. So happy how these turned out!!

4K

“Flowers & Bugs & Butterflies, oh my!”

Mon., May 11: Spaghetti-O Soup, Breadstick Mixed Berries

Tue., May 12: Beef Penne Pasta, Cucumber Slices, Fresh Fruit

Wed., May 13: Shepherd's Pie, Dinner Roll, Jello

Thur., May 14: Pizza Rolls, Breadstick, Salad, Fresh Veggies

Fri., May 15: BRING A COLD LUNCH – HOT LUNCH NOT AVAILABLE

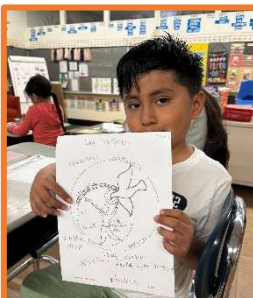

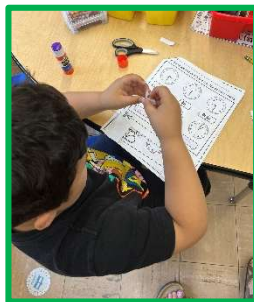

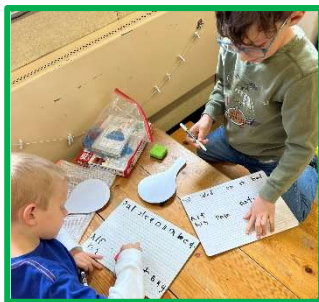

5K

Kindergarten is working on writing rhyming sentences, telling time, letter sound /y/, creating silly sentences, and finishing the picture using their imagination.

1ST GRADE

Because this week has been full of working on Mother's Day surprises and an amazing field trip, here are some random photos from 1st grade!

St. Mary School kindergartener Allie had her first Picnic with the Principal on Monday, May 4. Allie was very excited to have lunch with Mrs. Yauck. They talked about what she likes to do outside of school. She told Mrs. Yauck that they go for family bike rides, play outside a lot, do art projects, and visit grandma and grandpa. Ally loves art, drawing, coloring, and creating things. Ally and dad created a doll house out of cardboard that she said turned out really good. Allie told Mrs. Yauck that she got to have a friend sleep over for her birthday last week. She also got to bring some puppies into school to show her friends. Her grandma and grandpa breed Golden Retrievers, so Allie gets to spend a lot of time with the puppies. She spoke about the art projects that are hanging in the gym and said that they look like they were done by 9th graders or her friend Jonah because they are so good. She said that Jonah is a very good artist just like her.

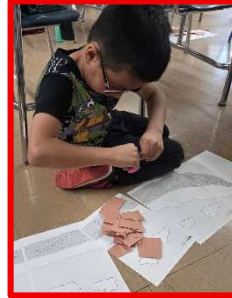

PICNIC WITH THE PRINCIPAL

2ND GRADE

Mystery Science boulders turn into tiny rocks as they move down stream.
The 2nd graders had 20 seconds at 5 stations to turn boulders into small rocks or pebbles. Hands were definitely tired.

SUMMER SCHOOL INFO

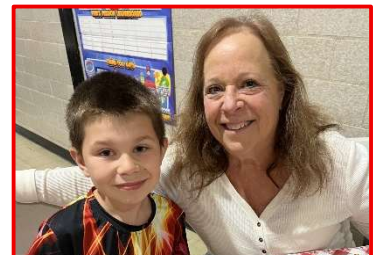

IS ATTACHED WITH THE WEEKLY MESSENGER EMAIL THIS WEEK!

or go to:

<https://www.mayvilleschools.com/page/summer-school>

St. Mary School third grader Landon had a Picnic with the Principal on Wednesday, May 6. Mrs. Yauck said that it has been great watching Landon grow throughout the years. In the past they talked about recess, lunch, and gym class. They now talked about how the human heart works, how many times it beats in a variety of animals and things he likes to do. Landon told Mrs. Yauck all about worms and that they have two hearts, and that if they accidentally get run over or cut in half, they don't die. He likes to collect them off the road and sidewalk after it rains and put them in the grass so they don't get hurt and can go back to their families. Such a kind heart. Landon asked Mrs. Yauck if she ever forget things, and she laughed out loud and told him it happens often. He told her that when his dad tells him to turn off the show he is watching and go brush his teeth for bed, he forgets that dad asked him to do that until he asks again, and sometimes again. Landon likes riding his bike and playing with his friends both at home and at school.

PICNIC WITH THE PRINCIPAL

St. Mary School second grader Daniella Rangel had a Picnic with the Principal on Thursday, May 7. Daniella and Mrs. Yauck talked a lot about Daniella's First Holy Communion. Daniella said that she felt so pretty in her dress and loved being able to wear it again at the following Friday's Mass with the school. When asked what she liked best about being able to receive the Holy Eucharist, she told Mrs. Yauck that before she was able to receive, she had a heavy feeling in her chest all the time, and that after she had communion, that heavy feeling lifted and she felt really good. They talked about things that Daniella likes to do with her family. She said they like to go on road trips so they can explore different places and they like adventures. Daniella's favorite places to visit so far were Texas and Florida. Her favorite memory of visiting grandma in Florida is when she asked grandma if she could climb a tree in the backyard. Her grandma told her to climb the guava tree and pick the ripe ones. Daniella climbed the tree and dad stood on the ground below. As she picked the guavas and dropped them, dad caught them in a basket. What a beautiful childhood memory with dad.

PICNIC WITH THE PRINCIPAL

3RD GRADE

We named our chicks this week!
Meet Rosie, Oreo, Squeek, Ted,
Tweet and Agent C!

4TH GRADE

The 4th graders wanted to wish an extra special Teacher Appreciation Week to our teachers and office staff! Whether you taught us for years or just for moments, we are so thankful for all that you have done to help us grow! We will miss seeing all your smiling faces every day when we head up to the middle school! Thank you!
