*Merry Christmas from your St. Mary School & Chidcare family!*

# 3K

3K absolutely crushed their first Christmas concert! The 12 Days of Christmas have never been performed with this much cuteness, enthusiasm, and... let's be honest... unpredictable choreography. Congrats, kiddos — you were amazing and should be SO proud of yourselves! Now let's see if you can guess which day each kiddo is supposed to be in the pictures... no guarantees they stayed in their spot!

# 4K

Merry Christmas from  
Ms. Jug's 4K class!

Happy Birthday to  
Cesar this week!

*Little children, let us love in deed and in truth, and not merely talk about it. (1 John 3:18)*

# 5K

Kindergarten looked and sounded great at the concert on Wednesday! This week we focused on Peace for the second week of Advent and even worked together to spell it out with Legos. We also met our new Superkids characters—Tic, Tac, and Toc! In Art, the children made adorable reindeer using their footprints, and they loved writing sight words in white crayon and revealing them on ornaments with watercolor paints.

Alina's mom was our Mystery Reader last week Friday!

# 1ST GRADE

The 1st graders added the first candle to their Advent Wreaths last week. Father Galante reminded us this week of how important it is to prepare our hearts for Jesus. We made a chart in class about all the things we know about Advent and will add to it as we learn more.

Mon., Dec. 22: Hot Ham, Potatoes, Corn, Dinner Roll, Dessert

Tue., Dec. 23: EARLY RELEASE – NO HOT LUNCH

Wed., Dec. 24: NO SCHOOL – CHILDCARE CLOSED

Thur., Dec. 25: NO SCHOOL – CHILDCARE CLOSED

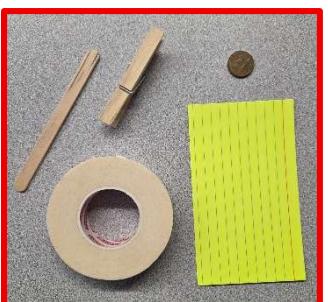

Fri., Dec. 26: NO SCHOOL – CHILDCARE CLOSED

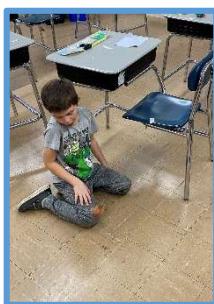

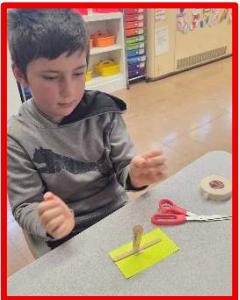

*Little children, let us love in deed and in truth, and not merely talk about it. (1 John 3:18)*

# 2ND GRADE

The 2<sup>nd</sup> graders' STEAM project had them create something to save their pennies from quicksand, using only the materials here!

# 3RD GRADE

STEAM in 3rd and 4th grade last week was creating a zip line for a gingerbread man they each decorated. It involved creating, calculating, and testing to make them a zip line that actually works!
