Wed. Apr. 17: Pizza, Salad, Fresh Fruit

Thur. Apr. 18: Pancakes, Sausage Links, Fresh Fruit

Fri. Apr. 19: Taco Bar, Fresh Fruit

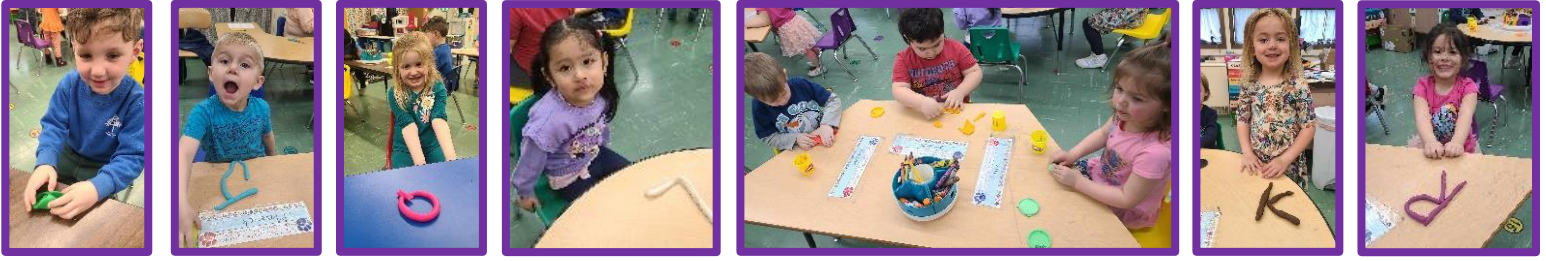

Little children, let us love in deed and in truth, and not merely talk about it. (1 John 3:18)

3K ADVENTURES

We had some Play-Doh fun this week! Here we are with the first letters of our names. In centers we painted kites, matched letter stickers to paper with letters and played with Mr. Potatohead or worked on puzzles. We also went on a "spring" scavenger walk and stopped by the church!

On Saturday morning, three of our Second Graders participated in a First Communion Retreat over at St. Andrew's Church. The students worked hard practicing how they will receive their First Communion and participating in different stations with their parents that helped them prepare for this special Sacrament.

What's happening in

Star Student
Lily

Spring has definitely sprung in 4K!

CHILD CARE CORNER

This week we played balloon tag in the gym. Loretta and Bryson were best buds in this game! Then some of the kids did some Spring art.

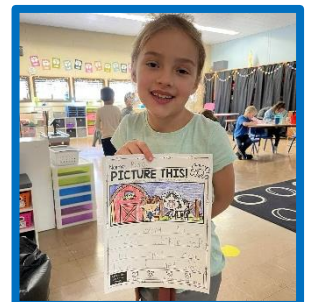

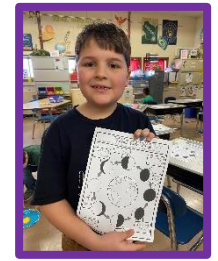

St. Mary School third grader Ximena Castro Martinez had a Picnic with the Principal on Thursday, Apr. 11. Mrs. Yauck said that Ximena was so excited to tell her about what makes her happy. Ximena told her that she loves face timing with her grandparents and uncles in Mexico. She said that her grandparents have a lot of animals that Ximena really likes seeing while on face time. She also spends time with dad helping on the farm. When dad is milking Ximena spends time looking for and playing with the cats on the farm. She also likes feeding the calves. At school, Ximena enjoys playing with her friends, math, reading, and writing. She said that she studies at home so that school gets easier for her. It is working! She loves to read and write.

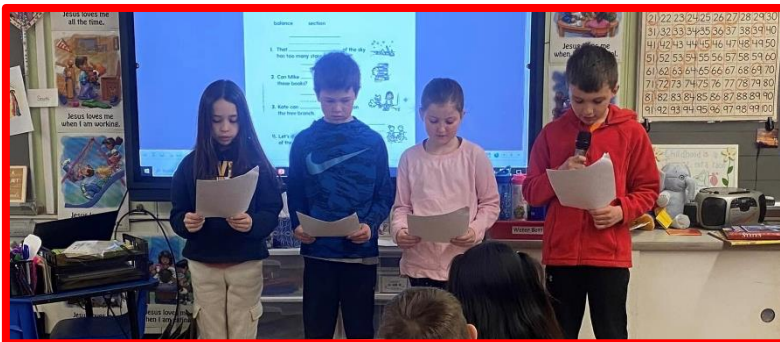

hello
KINDERGARTEN

We had a lot of indoor fun in Kindergarten last week! We took a virtual field trip to the farm! Thanks Mrs. Clark for sharing with us!

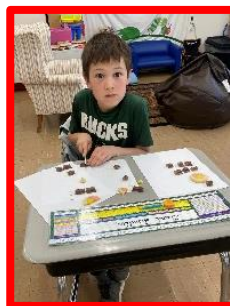

During STEAM last week Friday, students prepared for the solar eclipse on Monday by making headbands. They also did a craft that helped them understand what will happen during the eclipse. We reviewed the phases of the moon, using a bit more scientific talk such as waxing gibbous and 1st quarter moon. And students could do a step-by-step drawing of the earth. We were so excited to be able to take part in all that the eclipse has to offer!

St. Mary's 3rd grade Reading class did a readers theater play as reporters on the Eclipse. We also finished our chapter on beginning fractions in 3rd grade math yesterday! The students did very well! Today we ate our math by making fractions from round cookies and Kit Kats! It was fun and delicious!

WE ARE HIRING!

Starting now:
Part Time Childcare Teacher

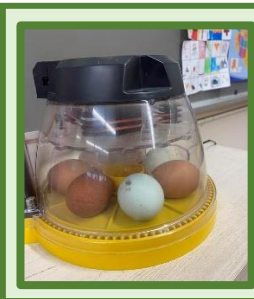

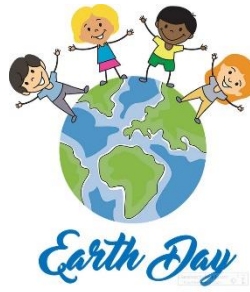

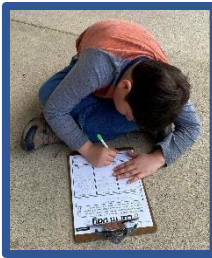

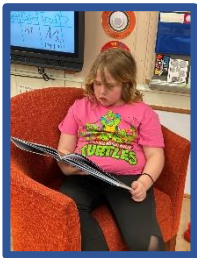

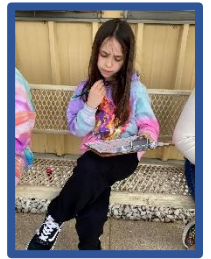

Starting with
2024-2025 School Year:
Kindergarten Teacher
School Cook

Please contact Mary Yauck for more information or to apply.

 myauck@stmarymayville.org

On Monday, the Second Graders started researching ways they can protect our Earth for an Earth Day writing assignment by reading several different library books. Yesterday, with the beautiful weather, they took their graphic organizers outside and started organizing their ideas.

Exciting day in 3rd grade! We started incubating our eggs! May 1st is 21 days we will keep you posted... Huge thank you to Feucht family for providing the eggs!

11 AM - 9 PM
