

Picnic with the Principal

Second grader Oliver Yanke had a Picnic with the Principal on Wednesday, Dec. 18. Oliver told Mrs. Yauck about his love of reading and math. He proceeded to solve math problems and asked her to give him some, which he was able to solve them in his head. Mrs. Yauck was impressed. Oliver said that he loves to read because it helps him to learn new things. He told her that he enjoys doing he said that he loves the projects they do in scouts. They do projects that focus on problem solving. He said that he also enjoys camping with his family, and that they take a trip to Florida or North Carolina every year.

Mrs. Yauck said that she was amazed at one of his answers about what he likes about his dad. Oliver told her that he likes to see his dad accomplish his goals.

She said that was a beautiful answer.
