Thank you to everyone who attended the Open House at St. Mary School in Lomira on Tuesday! It was great to see all of the support and hear your feedback – we are so excited to be growing! See more photos inside the Messenger!

To celebrate the chilly season, 3K created Arctic penguins using painting, gluing, and cutting techniques. Then, we practiced finding the letters of our names and glued them onto our penguins as snowballs—what a fun way to combine literacy and creativity! We also took advantage of the not-so-cold weather outside and brought out the chalk. Students practiced drawing shapes and tracing their friends' shadows. It was a wonderfully cold/not-so-cold and wintry/not-so-wintery week in 3K, full of learning, laughter, and creativity. What a great day to be in 3K!

Little children, let us love in deed and in truth, and not merely talk about it. (1 John 3:18)

Dentist Week in 5k! Themed reading and math centers. On Tuesday, we buried Alleluia for lent. We went to Mass for Ash Wednesday and talked about the three parts of Lent: prayer, fasting, and almsgiving. They are also enjoying our dentist dramatic play center! We are doing an Egg-speriment, testing how different liquids we drink can stain the eggs (which are representing our teeth!)

1ST GRADE

THE 1ST GRADE STUDENTS COMPLETED A STEAM ACTIVITY THAT SHOWED US HOW THE STARS ARE ALWAYS IN THE SKY, BUT WE CAN'T SEE THEM DURING THE DAY BECAUSE OF THE SUN'S LIGHT. WE ALSO LEARNED ABOUT THE BIG DIPPER WITH A SPECIAL TOOL WE CREATED.

St. Mary School kindergartener Rigoberto (right) had a Picnic with the Principal on Monday, Feb. 16. His friend and schoolmate Paolo (left) joined them as well. Mrs. Yauck said that she really enjoyed having lunch with both of them. Rigoberto told them that he loves school and playing with his friends. He likes the playground equipment very much. He said that he is learning English at school. He likes playing with his little brother Dylan, who is in 3K at St. Mary. Rigoberto told Mrs. Yauck that he enjoys riding his bike when he is not at school and playing on his tablet. He talked about missing his front teeth and how he can't wait for them to grow back. He said it is hard biting into food and talking. When she asked him if he pulled them out and he told her, "No way, my mom did!"

PICNIC WITH THE PRINCIPAL

After Ash Wednesday Mass, the 2nd graders reverently buried the word "Alleluia," marking the beginning of our Lenten journey. As we enter this season of prayer, sacrifice, and reflection, we set aside this joyful word for a time, with hopeful hearts, we look forward to Easter, when we will joyfully proclaim "Alleluia" once again and celebrate the risen Lord.

2ND GRADE

Alleluia
Christ is risen!

3RD GRADE

Mrs. Fehring's 3rd graders created topographical maps of Wisconsin in social studies this week.

PE

Day 4 of Gym Winter Olympics events were ice skating oval track and speed skating straight track. Lots of energy and cheering!! We used paper plates for skates.

4TH GRADE

OUR 4TH GRADERS WERE JOINED BY OUR 3RD GRADE FRIENDS TO CREATE THIS CLASS QUILT THAT SHOWS OUR EXCITEMENT AND PERSONALITIES COMING TO THE NEW MIDDLE SCHOOL! IT WAS COMPLETED AND HUNG UP AT THE LOMIRA SCHOOL IN TIME FOR THE OPEN HOUSE.
