GAME
Time

Thank you to Mrs. Franklin for hosting Game Time with the 1st graders on Friday! They played Uno and Spoons.

Dr. Seuss' birthday is this weekend so the third graders went to childcare to read books to the 2-yr-olds! Both classes enjoyed their time together!

CHILD CARE CORNER

This week in childcare we are doing Dr. Seuss theme! Today we read "Green Eggs and Ham" and "Put Me in the Zoo" We then painted with shaving cream and did some dobber worksheets. Afterwards we went to the gym and even some of our 1 year olds joined us!

The Second Graders did a great job on their February presentations today. Their presentation topic was an American symbol, landmark, or document. The students were very creative and had fun with their presentations!

hello
KINDERGARTEN

5K has had a fun week exploring the silly rhymes and characters of Dr. Seuss. We even tried green eggs and ham!

IT'S SO EASY

Third grade science is learning about fossils. We were paleontologists looking for fossils in "subsoil."

St. Mary School 1st grader Madison Garcia Gonzalez had a Picnic with the Principal on Thursday, Feb. 22. Mrs. Yauck said that she really enjoyed her lunch with Madison. Madison told her all about her doctor appointment. When Mrs. Yauck asked her if everything is OK she said "yes, of course. This one was just a check up". Mrs. Yauck was amazed at what she remembered from the conversation she had with the Dr. and what he told her about staying healthy. She is in first grade and used words like "options, choices, you need to decide, amazing" all coming from a 1st grader that didn't speak English 2 years ago. She loves school and to learn new things. She was so proud to tell me her mom is going to school too because she wants to learn English. Madison loves going to the park with her dad and to the water park with her whole family. She also really enjoys playing with her friends that live in her neighborhood. They like to ride their bikes and scooters.

St. Mary School kindergartner Bryson Franklin had a Picnic with the Principal on Wednesday, Feb. 28. He and Mrs. Yauck talked about games he likes to play, like tag, playing outside with his brothers and sister at home. Bryson told Mrs. Yauck the things he likes at school are sledding with friends, recess, math, and his teachers. Chicken nuggets are his favorite thing to eat. The main topic of the lunch was hunting. Bryson is so passionate about hunting and everything that comes with it. He told Mrs. Yauck about the colors you need to wear during certain hunts; orange so that you can be seen by other hunters and camouflage so you can't be seen by the animals. Bryson talked about what you hunt during certain seasons, such as turkey, deer, bear, and coyotes. He also told Mrs. Yauck that one of his favorite things to do is to go visit his PawPaw in North Carolina. He said that his PawPaw is the one that taught him how to hunt.
