Little children, let us love in deed and in truth, and not merely talk about it. (1 John 3:18)

STEAM

SCIENCE. TECHNOLOGY. ENGINEERING. ARTS. MATHEMATICS.

Last week, students were challenged to create a marble maze during STEAM. They planned, designed, created, tested and assessed their mazes.

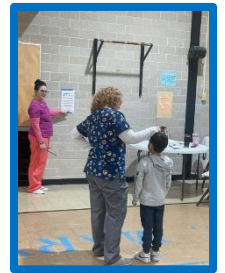

The St. Mary School Spirit Store is open!

From clothing to accessories, there is something for the whole family to show off your St. Mary School pride!

Click [HERE](#) to see the full selection of items available.

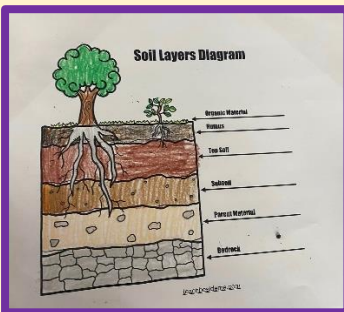

Thank you to Michelle and Tiffany from Mayville Vision for coming to our school to do vision screenings for our students! We appreciate your help in keeping our children healthy!

Third grade earned an extra recess so we did math outside while sledding! Mrs. Fehring gave them a problem and they yelled the answer as they went down the hill! Snow much fun!

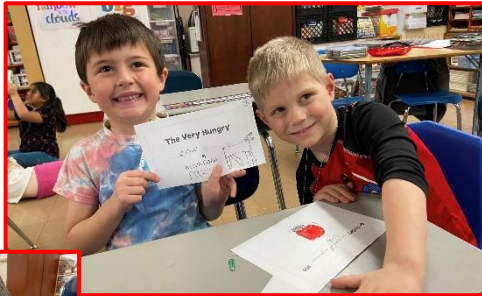

In third grade science we learned about soil layers. Then we created a delicious soil layer science experiment!

CHILD CARE CORNER

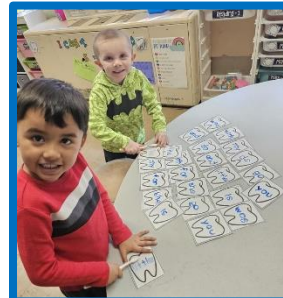

Our 2-yr-olds had lots of fun this week! We made some "smush paintings"! This was a great sensory art project and the kids loved being able to paint without their hands getting messy! We also painted some canvases using our choice of paint colors! We spent some time outside enjoying the beautiful weather with a walk and some chalk drawings!

After finishing up their stories from last week, 4K and 1st grade book buddies presented what they wrote to their classmates. It was very fun to watch this process from start to finish.

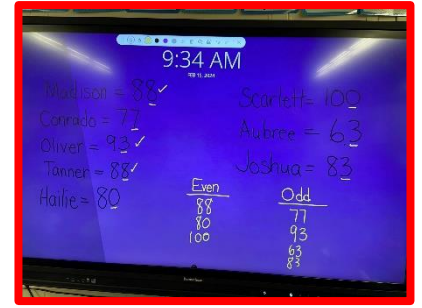

hello
KINDERGARTEN

It's all about teeth and dental health in 5K this week!

The 1st graders practiced making groups of tens, counting by tens, and comparing digits in the tens place and ones place...using Cheerios! We also threw in a little even vs. odd practice. (And of course we tasted the Cheerios!)

Turn everyday shopping into fundraising dollars

What is Scrip?

Gift cards that you can purchase at face value. You earn a 2% rebate on every purchase. This rebate then goes towards the following year's school tuition, religious education or daycare.

Get the RaiseRight app for on-the-go convenience!

Raise Right app - as a shortcut to smart phone or use on desktop to quickly access account to purchase and reload cards.
