

Picnic with the *Principal*

Third grader Lincoln Anderson had a Picnic with the Principal on Wednesday, Oct. 9. Mrs. Yauck really enjoyed talking with Lincoln at lunch. He was so excited to tell her all about his weekend because they got to go look at a new seasonal camper and he played football. The family loves going camping. Lincoln told Mrs. Yauck that their current camper is too small for 5 people, especially when they have 3 boys and a big dad. Lincoln really likes playing football because his dad is the coach and that his dad really gets the team going! When Mrs. Yauck asked Lincoln if his mom likes going to his games, he said "Oh ya, she is the boss of the concession stand". Mrs. Yauck said that it was so nice to listen to him talk about his family and how much he enjoys being with them.
