In 3K this week we learned about farm animals!! We worked on creative independent learning in the mornings. We sure did enjoy this beautiful spring weather!!!

### Fun in 5K!

✚ unburied Alleluia and discussed new signs of life  
 🌍 Played recycling games and talked about how we can make the Earth a better place!  
 🐣 We measured our friends with chicks and compared using graphs  
 123 Working on our teen numbers

# CHILD CARE CORNER

We had so much fun making bags for our Easter egg hunt and then finding eggs last week Thursday!

This week we were all superheroes and princesses!

Dodge County Master Gardener Association has gifted each of our 5K – 3<sup>rd</sup> graders with a seed packet. DCMGA is dedicated to teaching others about all aspects of horticulture. They donate seed packets to students to introduce a love of gardening and teach them about the need to preserve pollinators.

## STAFF SPOTLIGHT

Natasha  
Jug

4K Teacher

### About Me

I am engaged to Paul, Mama to Micah (27) and Owen (17), and Mimi to River (5) and Maylee (2).

I am genuinely in awe of a child's honesty, curiosity, sense of humor and enthusiasm for the smallest of things. As a teacher at St. Mary School, I feel blessed to be surrounded by this as well as some great families and coworkers too!

"You are never fully dressed without a smile." - Annie

### Fun Facts about me:

- My dad is my hero!
- My dog, Mr. Beans, is one of my very best friends!
- Q-tips, laughing and prunes are three of my favorite things!
- I enjoy rollerskating!

### Favorites:

Food: Mexican food  
Movie: Big Fish  
TV Show: The Bachelor/Bachelorette  
Book: The Little Giant of Aberdeen County  
Vacation spot: Anywhere warm!

The kids had a blast at our Easter Egg Hunt on April 17<sup>th</sup>! Huge THANK YOU to our Home & School Committee parents and Angel volunteers for making this a fun event for our kids! What a great way to kick off the Easter weekend.

You're never too old for decorating Easter eggs! Mrs. Fehring's chickens laid enough eggs for us to decorate eight of them. We did a fun baking soda and vinegar egg coloring kit.

Happy Earth Day!  
Third grade students were generously given pine trees to plant from Wilson State Nursery to help the environment.

St. Mary School kindergartener Bella had a Picnic with the Principal on Wednesday, Apr. 23. Mrs. Yauck said that she was so happy to have lunch with Bella, but also sad because it is the last one of the year. She said that Bella's cute, little, shy smile was infectious. They talked about Bella's family and things that she likes to do. Bella said that she really likes to ride dirt bikes with her brothers. She said that Carson has a green one, Jax also has a green one and she has a blue one. Bella told Mrs. Yauck that she likes it when mom rides with them, and that one of her favorite trips was with her family to Florida this year. She told Mrs. Yauck that they drove past the place where dad helped the people that were in the flood (North Carolina) and they talked about what he did to help them. Bella likes going fishing but said that her brother Carson always catches the biggest and most fish. She likes all of her friends at school and playing with them at recess.

2nd grade worked  
on SPRING-inspired  
stained glass  
pictures in art class  
this week.

This week was a fun-filled one in 2nd grade! We started off with a visit from the 3rd grade on Tuesday morning. On Wednesday, we learned how glass is made from sand in science class and watched a video about the process. We also had a relaxing religion lesson on First Communion with Mrs. Yauck. What a great week!
