St. Mary School participated in the Audubon Days parade on Sunday. Thank you to our Home & School Committee for putting our parade entry together and to all of the families who came to join us in the parade! It's always fun to see our families get together outside of school!

ITEMS NEEDED

Mrs. Fehring is in need of plastic bottle caps for an upcoming STEAM lesson. Please send caps from your water bottles and plastic soda bottles to school with your children next week if possible. Thank you!

St. Mary School is rooted in Catholic values and committed to academic excellence. We are dedicated to forming a child of God who knows, loves and lives the faith.

3RD GRADE

The STEAM activity for 3rd & 4th grade was keeping our ducks off of the floor. They had to create a structure and stack as many ducks on it till it fell. 31 ducks was the most! Great engineering skills were needed for this project. Father Galante talked about the 10 Commandments with the 3rd and 4th graders on Wednesday.

3K

This week we explored all kinds of feelings! We learned that it's okay to feel sad or mad, and that even crying is okay - as long as we remember to be respectful and kind. For art, we got messy in the best way—we finger-painted right on the tables! Then we made colorful prints of our masterpieces on paper to take home.

In religion, we dove into the story of Jesus's very first miracle. The kids loved practicing how to retell it and were amazed to discover that Jesus turned three giant bathtub-sized containers of water into wine. What an exciting story to learn together!

Mon., Sept. 29: Shredded Chicken in Gravy over Mashed Potatoes, Green Beans, Dinner Roll

Tue., Sept. 30: Pizza Rolls, Garlic Bread, Salad, Fresh Fruit

Wed., Oct. 1: BBQ Chicken, Corn, Dinner Roll, Fruit Salad

Thur., Oct. 2: Hot Ham Sandwich, Chips & Pickles, Jello

Fri., Oct. 3: Pizza, Salad, Fresh Fruit

Little children, let us love in deed and in truth, and not merely talk about it. (1 John 3:18)

4K

The alphabet, apples and our bodies are awesome!

PICNIC WITH THE PRINCIPAL

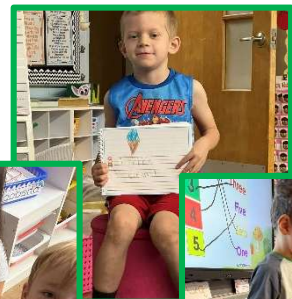

St. Mary School 4th Grader Evelyn had a Picnic with the Principal on Wednesday, Sept. 24. Evie told Mrs. Yauck that she is very happy to be back at school with her friends. She loves her teacher, Ms. Weber, and the way their classroom is decorated. She described it as warm and pretty. Evie told Mrs. Yauck about her summer and all the fun things she did. Some of her favorites were going camping, swimming, UTV riding, and the warm weather. When asked her what she is looking most forward to this year and she said visits from Fr. Galante, spending time with her friends, being the oldest kids in school, and the new middle school.

Fall themed math games: recognizing teen numbers, identifying numbers in the 20s-40s. Reading number words zero to five. Writing in our Superkids Journals about what we like! Greeting our friends with hello and a handshake! We used doodle boards to draw what we need in order to survive!

Giovanni had a special visitor on Friday! We learned to put our toys and clothes away when we are done, otherwise they will become lost treasure!

Mrs. Muche's Goose on the Loose had their first adventure this weekend! The Goose traveled to the dog park with Allie!

5K

CHILDCARE

ART

In Art on Tuesday 5K started their Kandinsky Fall Tree Project. They are using paint sticks to paint the backgrounds. Then they used their hand and arm to make trees and cut them out for the foreground of the picture. Next Tuesday they will trace stencils of different size circles and cut out. To finish our trees, they will glue the circles in color pattern onto our trees.
HAPPY FALL = FUN SEASON ART PROJECTS!!!

ST. MARY SCHOOL FEATURED FAMILY

DOMINGUEZ FAMILY

Rodolfo & Isabel
Natalia - 9 yrs old Junior - 6 yrs old
Celeste - 4 yrs old

WHAT BROUGHT YOUR FAMILY TO ST. MARY SCHOOL?

Growing up we always heard great things about St. Mary School. My little sister began going to school here and when we moved to the area, we knew we wanted to send our kiddos here or at least be a part of the great community and church.

WHAT ARE YOUR FAVORITE ACTIVITIES TO DO AS A FAMILY?

We enjoy soccer and sports and helping with our family businesses. We also enjoy traveling to Ohio & Mexico to visit family.

WHAT IS A PRAYER, SAINT OR TRADITION THAT IS IMPORTANT TO YOUR FAMILY?

We pray before bedtime to give thanks for what we have & give thanks for what is to come. Without our faith, what would be of us? So, it is important to always give thanks to God, from small to big things in life.

Plants, plants, and more plants in 1st grade! We observed them, we compared them, we sketched them, and we planted grass seed that will grow in the front yard of our paper houses. We also completed a scavenger hunt in church last week. We hunted for things like statues, the Tabernacle, candles, and the Baptismal Font.

1ST GRADE

SAFE ENVIRONMENT TRAINING

PARENTS/VOLUNTEERS/CHAPERONES:

"A Safe Environment Is My Responsibility," is initial Safe Environment Education training **REQUIRED FOR ALL STAFF AND VOLUNTEERS.**

This includes helping in classrooms, with events at school and field trips.

This training will be conducted in person. The session will take 2-3 hours and you will be required to participate in the session in its entirety.

This session is not appropriate for those under the age of 18. Please make arrangements to participate in this training without children or youth present.

**Tuesday, Oct. 7th
3:30 pm**

**St. Mary School Gym
28 Naber St., Mayville**

Instructor:
Principal Mary Yauck

To register, please go to:

4TH GRADE

Our 4th grade has been enjoying our first Book Shiloh! This week they got to do a retell summary of what has happened so far in the book. Amazing how much can happen in just 4 chapters!

Toiletry Drive

We want to set our students up for success, academically, faithfully, and socially! In doing so we believe that proper hygiene should be made easily accessible to all children.

What we are looking for...
Men's and women's deodorant
Brushes and combs
Tooth brushes and toothpaste
Face and body wash
Hand soap.
