

Picnic with the *Principal*

St. Mary School kindergartener Bella had a Picnic with the Principal on Wednesday, Apr. 23. Mrs. Yauck said that she was so happy to have lunch with Bella, but also sad because it is the last one of the year. She said that Bella's cute, little, shy smile was infectious. They talked about Bella's family and things that she likes to do. Bella said that she really likes to ride dirt bikes with her brothers. She said that Carson has a green one, Jax also has a green one and she has a blue one. Bella told Mrs. Yauck that she likes it when mom rides with them, and that one of her favorite trips was with her family to Florida this year. She told Mrs. Yauck that they drove past the place where dad helped the people that were in the flood (North Carolina) and they talked about what he did to help them. Bella likes going fishing but said that her brother Carson always catches the biggest and most fish. She likes all of her friends at school and playing with them at recess.
