This week in 3K we've been exploring multimedia art as we decorate turkey feathers for our big classroom turkey! Each day we've added something new — crayons and markers, paint, and even real feathers! Our turkey is looking fabulous and will soon be strutting his stuff on our bulletin board for all to see.

We also read the story "Turkey Saves the Day," where a brave turkey named Toby uses his feathers to scare off a sneaky fox and protect his farmyard friends. That story reminded us of our Bible lesson this week about Ruth and Naomi — two loyal friends who stuck together no matter what.

We've been talking all week about what it means to be a true and faithful friend — just like Ruth... and maybe even a little like Toby the Turkey!

Little children, let us love in deed and in truth, and not merely talk about it. (1 John 3:18)

Kindergarteners made predictions and observed to see which ball would bounce the highest. The popular prediction was the bouncy ball, but the golf ball and the kickball were actually the highest!

Thank you to Rosario's mom for being our mystery reader last week! We learned that grass isn't always greener on the other side and we can learn from our adventures!

1ST GRADE

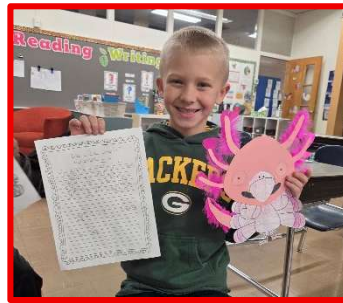

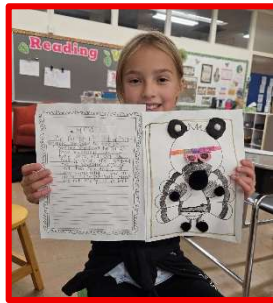

In this week's STEAM activity, the first graders gathered evidence that animal offspring look like, but not exactly like, their parents. In the activity, Possible Puppies, students played a game that modeled how puppies look similar to their parents, but each puppy can vary in many ways.

2ND GRADE

We took on a fun "Disguise a Turkey" home challenge to help their turkeys hide from being eaten this Thanksgiving! They showed off their amazing creativity and writing skills as they designed clever disguises and wrote about why their turkeys shouldn't be eaten. What incredible imagination and hard work!

3RD GRADE

We played a fun multiplication game of memory and speed in math this week! STEAM in 3rd and 4th grade was about aerodynamics and construction of parachutes for a spider. It was fun and challenging!

St. Mary School kindergartener Colton had his first Picnic with the Principal on Wednesday, Nov. 5. Mrs. Yauck said that it was wonderful getting to know Colton a little better. She asked him what he likes to do when he is not at school. Colton told her that he likes to play at home because he has a lot of his favorite things to play with. He talked about his bouncy house, tents, cars and trucks, slip and slide and swing set. Mrs. Yauck asked if she could come over and play because it sounded like so much fun and he said "Yeah, sure you can!" She asked Colton, if he could go anywhere in the world, where would he go? He said he'd go to the water park and stay there for more than one night. He loves being in the water and going on all the fun stuff at the water parks. He talked about his family and that his dog died recently and that he really misses her. Mrs. Yauck and Colton said a prayer together.

4TH GRADE

4th graders have been embracing the cold and taking advantage of our cozy reading area and blankets during our guided reading this week!

CHILDCARE

Play dough fun in Childcare!

ART

Our 1st and 2nd grade Art class made "Pop Art" projects inspired by Keith Haring. They are on the gym walls and are so fun to look at!

ST. MARY SCHOOL FEATURED FAMILY

ROGERS FAMILY

Evan & Dani
George - 6yrs old, Eloise - 5 yrs old
Isabelle - 3 yrs old, Louis - 8 mos old

WHAT BROUGHT YOUR FAMILY TO ST. MARY SCHOOL?

The Catholic education and our faith!
We love all of the staff, including childcare!
We send our kids to school/childcare
without a doubt that they are totally
cared for and even loved!

WHAT ARE YOUR FAVORITE ACTIVITIES TO DO AS A FAMILY?

We are currently fixing up and
transforming a school
bus into a "skoolie" - home on wheels!
We love the outdoors - hiking, scavenging,
gardening and obviously just playing!

WHAT IS A PRAYER, SAINT OR TRADITION THAT IS IMPORTANT TO YOUR FAMILY?

We have a special devotion to our Mama Mary as she is such a loving, caring,
perfect mama to all! We also love St. Patrick, St. Claire, St. Katharine & St. Paul
- these are the kids' middle/saint names!

Big thanks to the Kekoskee Fire Department for coming to our 3K class last week!!! Brent Feucht and Mason Gerth were amazing with our little learners! They got a to see a firetruck and all of the "cool" stuff up close. They let everyone sit inside the firetruck and in the classroom Mason put on his full gear so show our learners what a fireman looks like at fires. That way they won't be afraid! They talked about fire safety and covered some rules. 1. Don't hide from fireman. 2. Stay in your room and close door, if you can't get out of the house or building. 3. Stop Drop and Roll. 4. Don't be afraid of fireman. The children got to touch and try on some of the gear and tools. Thank you to all of our community fire departments, you are the Real Heros!

Classroom Christmas Book Campaign

Hello St. Mary School families and friends! We have an exciting event for our students this holiday season - when Santa comes to visit us in December, we would like him to give each student a book as a gift! Our students just love books and they will be so excited to get one from Santa! We are asking you to help us achieve this goal by donating to this campaign - any amount is appreciated and will be put to good use.

Please contact Danielle at the school office with any questions. 920-387-2920 or dwiedmeyer@stmarymayville.org. Thank you in advance for your consideration and generosity!

thank you
