1ST GRADE

The grass seed we planted as part of our 1st grade science unit on plants started growing!! The kids were surprised to see how fast the grass grew. After learning about the very special symbols, statues and other objects we find in our Catholic Church, the 1st graders lit up the hall with their own light-up paper bag churches.

SAFE ENVIRONMENT TRAINING

PARENTS/VOLUNTEERS/CHAPERONES:

"A Safe Environment Is My Responsibility," is initial Safe Environment Education training **REQUIRED FOR ALL STAFF AND VOLUNTEERS.**

This includes helping in classrooms, with events at school and field trips.

This training will be conducted in person. The session will take 2-3 hours and you will be required to participate in the session in its entirety.

This session is not appropriate for those under the age of 18. Please make arrangements to participate in this training without children or youth present.

**Tuesday, Oct. 7th
3:30 pm**

**St. Mary School Gym
28 Naber St., Mayville**

Instructor:
Principal Mary Yauck

To register, please go to:
<https://milwaukee.cmgconnect.org/>

2ND

2nd grade is getting ready for the Sacraments of Reconciliation and First Holy Communion. Mrs. Wolf's heart is so full of excitement as their 2nd grade teacher. She has started "Prayer Journals". Every morning her 2nd grade students will write or draw pictures to God for 5 minutes. We listen to Catholic hymns as we have a silent talk with God before our school day begins.

Mon., Oct. 6: Grilled Cheese, Salad, Fresh Fruit

Tue., Oct. 7: Shepard's Pie, Dinner Roll, Pudding

Wed., Oct. 8: Scrambled Eggs, Cinnamon Roll, Hashbrown, Yogurt

Thur., Oct. 9: Chicken Nuggets, Salad, Dinner Roll, Fresh Fruit

Fri., Oct. 10: Fish Sticks, French Fries, Fresh Veggies

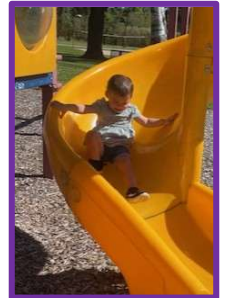

Little children, let us love in deed and in truth, and not merely talk about it. (1 John 3:18)

CHILDCARE

Lots of fun this week in Childcare! We celebrated Letty's birthday, made apple donuts and had lots of outside play time!

FAMILY FUN DAY – ST. MARY SCHOOL & CHILDCARE FAMILY PICNIC SUNDAY, SEPT. 28, 2025

3K

At the end of last week, we broke out the play-dough—and oh, what fun we had! Play-dough is such a great way to build fine motor skills while enjoying lots of sensory play. The kids practiced rolling, cutting, and creating all sorts of shapes and patterns.

This week, we've been busy learning that all shapes are made up of lines—some are straight, and some are curvy! We explored triangles (with their three sides) and circles (with no sides at all!). The highlight was making adorable owls using only circles and triangles.

We also spent time talking about what it means to be a kind and caring friend. To top it off, we learned the song "The More We Get Together" - complete with hand motions that had everyone smiling!

Father Galante explained purgatory to the 3rd and 4th graders during a classroom visit this week. We are so blessed to have him here to share his wisdom with our students. Also, we let our 6th monarch butterfly go this week!

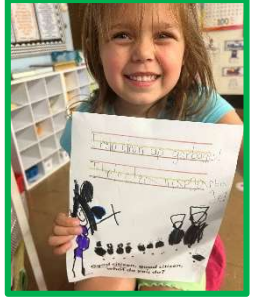

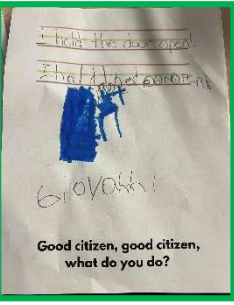

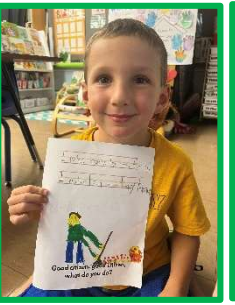

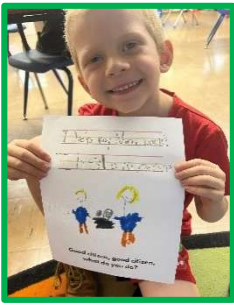

3RD GRADE

4TH GRADE

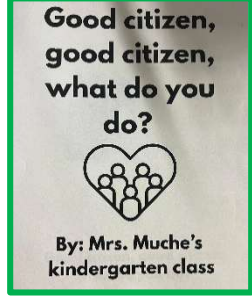

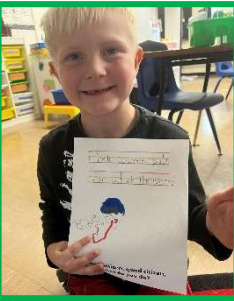

Our Toiletry Drive is off to a great start! Over the next few weeks our older students will be getting into their health and hygiene unit and we all couldn't be more thankful for everyone who helped kick this off!

5K

We have been learning about what it means to be a good citizen!
This is what it means to our kindergartners!

4K

Our Senses! Critter Parade! Appletastic Fun!

PICNIC WITH THE PRINCIPAL

St. Mary School fourth grader Madilyn had a Picnic with the Principal on Wed., Oct. 1. Mrs. Yauck said that it was like having a conversation with a young adult. Madi loves school, her new classroom and her teacher. She said that it is so comfortable there and her teacher makes learning fun. Madi's favorite thing to do during her free time is to grab a book and go into the tent to read. Madi told Mrs. Yauck that she likes it when the lights are off, and they can work with just the string lights and computer light on. She said it is very peaceful. Madi loves her friends, playing with her little brother, singing, and dance.
