## 2<sup>ND</sup> GRADE

In Science the last two weeks, the 2nd graders learned how to classify animals by similar characteristics. They came up with a variety of ways zoo animals have many similar characteristics.

Kindergarten had their first mystery reader!  
Mrs. Yauck read "Don't Be Silly, Mrs. Millie!"  
It is safe to say they loved it and they love her!

# 1<sup>ST</sup> GRADE

In STEAM this week, the 1st graders created football goal posts using a variety of materials. Then they practiced "kicking" their paper footballs through the goal posts! 🏈. They really thought hard during this time and I also saw some great teamwork!
