

# Picnic with the Principal

St. Mary School first grader Jonah Clark had a Picnic with the Principal on Wednesday, Apr. 9. Mrs. Yauck says that Jonah is always so excited to tell stories. When she asked him what he wants to be when he grows up, she just knew that farming was in his future and loved hearing what his farming plans are. Jonah explained in detail how he wants to be a dairy farmer and have a shop that makes butter, ice cream, cream, and bagels. He said that he wants to produce a variety of milk as well so that he has something for everyone. Jonah is always that kind of child, thinking of others before himself. He is excited to get started with the farm this year. They are going to start uncovering the strawberry fields and plan to plant a lot more apple trees. He said that he is going to work on the farm for the strawberry season. He is going to be picking berries for pick up orders, work the register, and help wherever needed. When asked if he was going to eventually take over the farm and he said "yes, with his brothers." Mrs. Yauck asked if he will be the boss and he told her that they will all work together.
