

Picnic with *the* *Principal*

St. Mary School third grader Grayson had a Picnic with the Principal on Wednesday, Apr. 2. Mrs. Yauck and Grayson had a good laugh about the "flood drill" that was done on April Fools Day. She asked him if anything out of the ordinary happened yesterday at school and he gave her a grin and rolled his eyes. He said that he knew something was up because our school is nowhere near water, we were told we had to take off our shoes and socks and to pretend to swim. He was laughing the whole time he was telling her about it. When asked what else he likes to do and what makes him happy, Grayson said that he likes playing with his cat, playing with his brother and doing math. Mrs. Yauck commented that Grayson is such a great kid. They talked about how happy they are that summer is coming. She told him that she is looking forward to going up north and warmer weather. Grayson said that his family will go see his grandma in Eagle River during the summer.
