3K

This week in 3K, we got creative with our "E" crowns, played Pumpkin Bingo and taste-tested pumpkin treats: pumpkin bars, popcorn, granola and donuts. The popcorn was the clear winner! Our kids are enjoying the new light board – it is a new class favorite! It's a great way to see, touch and explore our letters!

Little children, let us love in deed and in truth, and not merely talk about it. (1 John 3:18)

5K

Allie's grandma was our Mystery Reader on Friday! She read a book written by a local author and the kids loved it! We made animals from things found in nature! Bats and Spiders in Kindergarten: Fine motor skills - ordinal numbers - bat measurements - Show or Tell - climbing spiders!

EATING FOR EDUCATION

Fundraiser for St. Mary School

Don Ramon Mexican Restaurant

11am - 9pm

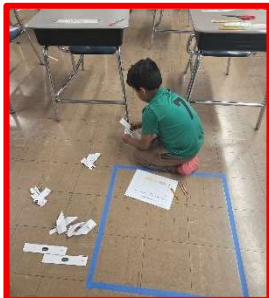

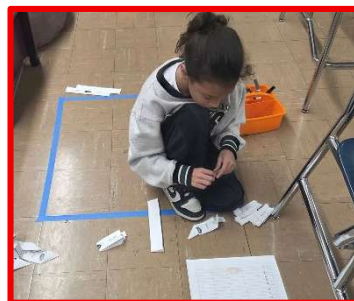

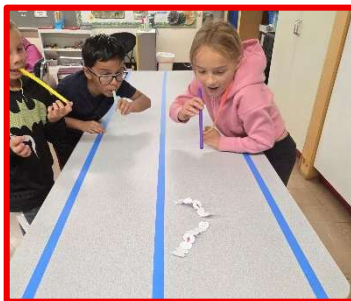

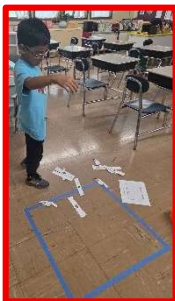

1ST GRADE

The 1st graders linked the social studies unit of maps and landforms to the STEAM activity. Using a variety of tasty treats, students created edible landforms. It was hilarious to look back at pictures to see how many times they got caught sampling the treats. Thank you to parents for donating the treats we used!

2ND GRADE

What is happening in 2nd grade is all about how wind carries seeds for miles by graphing. We also did our own wind using straws can get our caterpillars to win the race during STEM.
Great job 2nd grade!

3RD GRADE

3K and 3rd and 4th grade book buddies listened to Pumpkin Jack and we "planted" Jack from last year's pumpkins that Mrs Fehring grew. We will watch it rot in both classrooms and hopefully continue the tradition for next year's pumpkin crop.

Our fourth graders are learning a lot about regrouping! In order to do this we did a shopping activity of course! Students took turns being bankers, store clerks, and shoppers learning to ask for change and distributing money.

Many laughs were had when a certain student had to play two roles at once (Grayson, our glasses wearing store clerks, and Rayson, our non-glasses wearing Dominos cashier)

4TH GRADE

CHILDCARE

Lego painting, outdoor playtime,
more arts & crafts and superheroes!

Kindergarten invited Mrs. Yauck into our room today to thank her for being our amazing principal! The kids shared they are thankful for...

- * teaching us to be kind so we can teach the whole world!
- * eating with us at the special table!
- * her loving us!

We couldn't ask for a better principal!

PICNIC WITH THE PRINCIPAL

St. Mary School third grader, Madison Garcia Gonzalez, was so happy to have her Picnic with the Principal on Friday, Oct. 13. Madison loved telling Mrs. Yauck stories of what her baby sister is able to do now and all about the time they spend together. She really enjoys spending time with her family. She loves going shopping, rummaging, and for walks with her mom and sister. Madison told Mrs. Yauck that she spends time with the family at the park which is one of dad's favorite things to do with her. She is also a great student and friend at school. She talked about what she learned reading books on iReady. Madison talked extensively about a certain fish and how they build a home underwater.

PICNIC WITH THE PRINCIPAL

St. Mary School second grader Marcelo had a Picnic with the Principal on Wednesday, Oct. 15. Principal Mrs. Yauck said that she couldn't get a word in and just sat back and listened as he spoke with a beautiful smile on his face. Marcelo told her how "rich" he is because of how hard he works at home. He helps mom make supper, clean up after, and do the dishes. When he is not doing his chores, he likes to play with his little brother Eithan. Eithan loves it when Marcelo chases him. Marcelo talked about accidents he has had and took off his shoes and socks to show her a scar on his foot. Marcelo told Mrs. Yauck that he loves to ride his scooter and go to the park with his family.
